Application 09/911,811

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences on June 6, 2007. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below.

The content under the heading "**SUMMARY OF CLAIMED SUBJECT MATTER**" contained in the Appeal Brief filed on April 26, 2006 does not provide a sufficient summary of the independent claims involved in the appeal, which, for each independent claim involved in the appeal, shall refer to the specification by page and line number, and to the drawing, if any, by reference characters. *See* 37

Application No. 09/011,811

CFR § 41.37(c)(1)(v). In particular, the appellant did not map the independent claims to the specification. Correction is required. MPEP § 1205.03 states:

When the Office holds the brief to be defective solely due to appellant's failure to provide a summary of the claimed subject matter as required by 37 CFR 41.37(c)(1)(v), an entire new brief need not, and should not, be filed. Rather, a paper providing a summary of the claimed subject matter as required by 37 CFR 41.37(c)(1)(v) will suffice. Failure to timely respond to the Office's requirement will result in dismissal of the appeal. See MPEP § 1215.04 and § 711.02(b).

Also, an Information Disclosure Statements (IDS) was filed on June 2, 2003.

It is not apparent from the record that the examiner considered the statements submitted or notified applicants of why their submission did not meet the criteria set forth in 37 CFR §§ 1.97 and 1.98.

Accordingly, it is

ORDERED that the application is returned to the Examiner to:

- 1) hold the Appeal Brief filed on April 26, 2006, defective;
- 2) notify appellant to file a paper providing a summary of the claimed subject matter as required by 37 CFR 41.37(c)(1)(v);
- 3) consider the paper providing a summary of the claimed subject matter as required by 37 CFR 41.37(c)(1)(v);

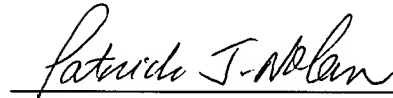

Application 09/911,811

4) for consideration of the Information Disclosure Statement filed June 2, 2003; and

5) for such further action as may be appropriate.
